

# EV GRIEVE

THURSDAY, FEBRUARY 3, 2011

## **Priciest pad at 123 Third Ave. hits the market; private greenhouse included**

Yesterday, the most expensive home in [123 Third Avenue](#) appeared [on Streeteasy](#). The penthouse features 7.5 rooms: 3 bedrooms and 3.5 bathrooms — 2,334 square feet in all. And it's yours for \$4.5 (plus change!) million. A few more details via [Corcoran](#):

### Apartment Features

- North, South, East and West exposures
- Balcony, Greenhouse, Roof deck, Terrace, Full city view, Full skyline view, Partial river view, Floors - hardwood, Light - excellent, Great closet space, Washer/dryer

And, most important, you're just steps away from the best that [East Union Square](#) has to offer... like the [Four Loko](#) at [Robin Raj](#)!
